Dear Friends:

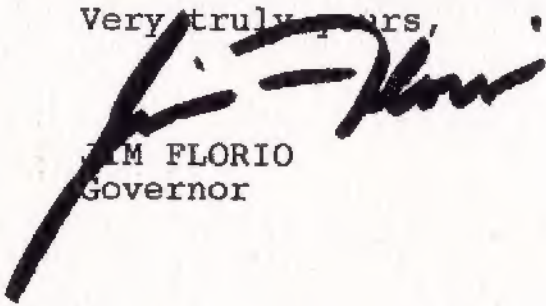

It gives me great pleasure to welcome all of you to the 25th Anniversary Celebration of the New Jersey State Council on the Arts - a tribute honoring all of New Jersey's artists and arts organizations.

A milestone such as this could not have been attained if it were not for the hard work and dedication of you, the cultural ambassadors of our great State.

It is my distinct pleasure to continue the legacy of "Artistic Excellence" initiated by Governor Hughes and continued through the tenures of Governors Cahill, Byrne and Kean.

Congratulations to everyone on your Silver Anniversary!

Very truly yours,

JIM FLORIO
Governor

SECRETARY OF STATE

July 31, 1991

For a quarter of a century, the State Council on the Arts has worked in partnership with all of New Jersey's counties in an effort to enrich our lives by encouraging and supporting the arts throughout our great State. This year, the counties have joined in a statewide celebration to pay tribute to that partnership.

On the opposite page is a list of events to be held throughout the State which have been dedicated by our 21 counties in celebration of the Council's 25th Anniversary.

I encourage all of you to show your support for the Council, our County Cultural and Heritage Commissions, and our Artists and Arts organizations by attending the events that comprise the "21 County Salute". Additional information about the Salute events can be obtained by contacting the appropriate County Cultural and Heritage Commission.

I extend to all of the present and past Council members and staff, my sincerest congratulations and best wishes. Thank you for all your hard work and dedication!

Very truly yours,

JOAN M. HABERLE
Secretary of State
